

Hi CLC Family,

I made it safe and sound to Pine Ridge. Took me three days but I did what I didn't think I could do; drive 1300 miles by myself...with the Lord's help and grace. Seems He is always stretching us beyond our natural capabilities.

I want to let you all know that I appreciated the sendoff Sunday and all the prayers and words given to me and will treasure them and ponder them. Also thanks for all the monetary gifts.

My plan is to stay two months at the Rez, coming home right before Thanksgiving. I will need letters etc. from home to sustain me! 😊

I would love to hear from you all and I would appreciate any calls, texts, emails, and letters from home as I will be missing you guys greatly and will

especially miss worshipping with all of you and the great worship at CLC. Also, the phone service isn't always the best here so PLEASE leave a message if I don't answer and remember that there is a two hour difference here.

My Phone number is 513-305-0939. Please feel free to call me or text me because I am going to miss EVERYONE immensely. My email is [engel@roadrunner.com](mailto:engel@roadrunner.com) and I will welcome any emails also. Also if you have a word for me I will cherish it and take it to heart as well.

If you choose snail mail, or want to send me a card it will get to me as I am having all my mail forwarded here and the address here is, Jan Engel, c/o Kathy Mikles, P O Box 290, Oglala, South Dakota 57764.

The website of the Assembly of God Missionary Outpost where I will be staying is <http://oglarwc.org/> and if you are curious about the tribe or what it is like here this is the best place to satisfy your curiosity. They are active with lots of activities for children and teens and you can see many pictures of their adventures and events on this site. The children are compelling and beautiful but quite impish! The double wide I will be staying in is right behind Kathy and Terry Mikles home, whom some of you know from when they lived in Milford Ohio.

This is my fifth trip to Pine Ridge and as always I know little about what the Lord wants me to do but this is how I feel... I feel like I am jumping out of a plane and leaving the comfort and security of the plane behind as I learn to soar with Jesus. But I won't know how to soar till I leave the safety of the plane and all the "things" that are on the plane much like a baby eagle being pushed out of the nest.

I will tell you this though, the Lord has had me in "boot camp" for the past two weeks and I am learning more and more about warfare and battling in the heavenlies so I anticipate much fruit in His name and for His glory.

Eagerly anticipating hearing from bunches of you,

Your friend and co worshipper of our Lord Jesus Christ,"

Jan Engel
